MAART 2021

Louis and Paul had a great time with Auntie Carine.  
Those two gourmands baked some cupcakes 🧁  
**The hardest part ? Not eating them all at once !**

After eating their cupcakes, the cousins read their Tribu albums.

Louis is reading for Paul, who is very attentive !

**Come on Louis !**  
It's time to go home with Daddy.  
*Don't be sad Louis, you're gonna meet again soon !*

... During the next week-end at Aunty Claire for example ?

AMAZING !

Souvenir of the brunch at Jeanne's where we reread our *old albums*... **What good moments to remember !**

What about the watermelon  
Elizabeth ?

*I LOVE IT !*

On our way home, we went to the playground.

**The girls had so much fun !**

Early September, we went to **the wedding of Mary and Liam.**

Fortunately, the weather was warm and sunny ☀️

Elizabeth, so proud to see her Aunty in her beautiful white dress.

Charles et Alexander were man of honor...

**And so proud of their role !**

First wedding with our little Victoria.  
In a few years, she'll join her cousins for crazy adventures !

Sunday we went to a family  
dinner at Nana & Pa's.

They were so happy to see  
William and Lily !

We all send you a biiiig hug ! ❤️

**See you next month at our halloween dinner !**
